Company/Individual	Municipality/L.L.D	Decision Date/ Penalty	Act/ Regulation	Comments / Disposition
Administrative Penalties				
Oxy Vinyls Canada Inc.	Strathcona County SE-29-55-21-W4	25-Oct-04 Assessed: \$4,500.00	AEPEA(R) 124/53.11(4)	The Company operates the Scotford polyvinyl chloride plant pursuant to an Approval. The Company failed to ensure that the concentration of vinyl chloride in an effluent stream to the ambient air from building ventilation did not exceed 5 ppm by volume. Paid 22 November 2004
Three Hills, Town of	Kneehill County SW-25-31-24-W4	26-Oct-04 Assessed: \$7,000.00	AEPEA(R) 227(e) 110(1)	The Town has an Approval for the operation of a Class I Wastewater Treatment Plant and a Class II Wastewater Collection System, Storm Drainage System and Snow Storage Facility. It released, caused, or permitted the release of a substance into the environment that has caused, is causing, or may cause an adverse effect, and failed to, as soon as that person knows or ought to know of the release, report it to the Director. It contravened its Approval when it failed to monitor the wastewater bypassing the wastewater treatment plant during the bypass of BOD5, TSS, Phosphorus and Ammonia-N, and it failed to submit one copy of the Annual Wastewater Report to the Director. Paid 10 November 2004.
Edson, Town of	Edson 7-53-17-W5	01-Nov-04 Assessed: \$14,500.00	AEPEA(R) 227(e)	The Town operates a Class I water treatment plant and a Class II water distribution system pursuant to an Approval. It contravened its Approval when it failed to immediately report by telephone a contravention of a term or condition of the Approval: failed to monitor the waterworks system as required in Table 6-1, being the failure to monitor free chlorine residual of treated water, 5 days of the week of June 8-14, 2003 at random locations in the water distribution system; failed to monitor the waterworks system as required in Table 6-1, being the failure to monitor the bacteria in treated water by taking 7 samples in the month of August 2003 at random locations in the water distribution system; failed to immediately report by telephone to Alberta Environment the failure or shut down of any equipment used for disinfection, being the failure to immediately report the failure of chlorine pump #3 at Well 17, and failed to submit 2 copies of an Incident Report of any incident requiring reporting, which reports were to be submitted to the Director on or before the end of the month following the month in which the information on which the report is based was collected. Paid 29 November 2004.

Environmental Protection Orders				
AC Energy Inc.	Red Deer County NW-14-36-22-W4	10-Dec-04	AEPEA(R) 140,113	The Company was licensed or otherwise authorized by the Alberta Energy and Utilities Board ("EUB") to operate a well. The EUB issued an abandonment order, and the surface access was terminated by the Surface Rights Board. Alberta Environment has not issued a reclamation certificate, and is of the opinion that work is necessary in order to conserve and reclaim the site. Alberta Environment is of the opinion that a release of one or more substances into the environment may occur, is occurring or has occurred that may cause, is causing or has caused an adverse effect on the environment. The Company shall submit and implement an Investigative Plan, submit and implement a Remedial Plan, and implement a Reclamation Plan, and apply for a reclamation certificate once it has met the criteria.
